MEMORANDUM FOR COMMANDER, U.S. ARMY TRAINING AND DOCTRINE COMMAND,
(ATCD-ZA), FORT MONROE, VA 23651-5000

SUBJECT: Supplemental Clothing Allowances

1. References:

- a. Memorandum, Secretary of the Army, 16 Feb 00, subject: Recruiting Initiatives (Encl 1)
- b. Memorandum, TRADOC, ATBO-E, 17 Feb 00, subject: Drill Sergeant Supplemental Issue for the Improved Physical Fitness Uniform (IPFU) (Encl 2)
- c. Memorandum, TRADOC, ATBO-H, 21 Apr 00, subject: Drill Sergeant Supplemental Issue for the Improved Physical Fitness Uniform (IPFU) (Encl 3)
- d. Memorandum, TRADOC, ATBO-H, 30 May 00, subject: Army Recruiters Supplemental Issue for the Improved Physical Fitness Uniform (IPFU) (Encl 4)

2. Reference 1a approved a recommendation for Supplemental Issue of Commercial Class A/B Uniforms for Recruiters. Effective 07 Aug 00, the uniforms authorized for Supplemental Issue for Recruiters are the DA-approved AAFES commercial brand uniforms stocked in Army Military Clothing Sales Stores (AMCSS). Approval is granted for MPA funds of \$1.0M in FY 00 and \$.783M in FY 01-05

3. The objective of a Supplemental Issue of Commercial Class A/B Uniforms for Recruiters is to provide Recruiters the opportunity of wearing higher quality uniforms, which will allow for a professional appearance at all times. This will increase moral and increase recruitment. Recruiters are in two categories:

DALO-TST

7 AUG 2000

SUBJECT: Supplemental Clothing Allowances

a. Graduate Recruiters:

(1) Effective 14 Aug 00, recruiters graduating from USAREC School are authorized one Commercial Class A uniform (jacket and trousers, slacks or skirts), two Commercial Class B uniforms (trousers, slacks or skirts), and three commercial shirts (long sleeve (LS) or short sleeve (SS)). Effective 13 Aug 00 the Supplemental Issue of the above DSCP issued items is no longer authorized.

(2) The Graduate recruiters will take DA Form 3078 to the Army Military Clothing Sale Store (AMCSS) at Fort Jackson, and their uniforms will be put on back order until the uniforms are available. The AMCSS will ship uniforms to graduate recruiters.

b. Field Recruiters:

(1) Effective 1 Jan 01, Field Recruiters (MOS 79R) assigned to USAREC are authorized two complete Class B uniforms (trousers, slacks, skirts and commercial shirts (LS or SS)) every two years. Effective 30 Dec 00, the Supplemental Issue of the above DSCP items is no longer authorized.

(2) The Field Recruiters will request their initial Supplemental Issue of the commercial Class B Uniforms using DA Form 3078 at the AMCSS. Recruiter Battalion Commanders will control the uniform records. The Recruiting Command has five brigades. Beginning in Jan 01, the Supplemental Issue will be given to two designated battalions in each brigade. In Feb 01, the next two designated battalions of each brigade will be given their Supplemental Issue. In March 01, the next two designated battalions of each brigade will be given their Supplemental Issue. In Apr 01, the next balance of the battalions of each brigade will be given their Supplemental Issue. Field Recruiters will request the uniforms 2 years from the date they received their last Supplemental Issue.

4. Reference 1b requested a Supplemental Issue of the IPFU every year to all Drill Sergeants (DS) reference 1c modified the items and quantities in reference 1b. The request for a Supplemental Issue of IPFU for DS is approved.

DALO-TST

7 AUG 2000

SUBJECT: Supplemental Clothing Allowances

5. The Army agrees that having our DS in IPFU is a good idea, from both a leadership and appearance position, because they are training our new soldiers on a daily basis. Approval is granted for MPA funds of \$293K in FY 00 to provide IPFU to all DS and \$205K - \$225K (FY 01 - FY 03) to provide IPFU to DS School Graduates.

6. Effective immediately, request TRADOC's Clothing Initial Issue Points (CIIPs) be instructed to issue IPFU to DS located at CIIPs prior to 15 Aug 00. Beginning 15 Aug 00, DS in other locations are authorized a Supplemental Issue of IPFU from the AMCSS, using DA Form 3078.

7. The request in reference 1d for a Supplemental Issue of IPFU for Army Recruiters is disapproved. While we understand and appreciate TRADOC's intent to improve the appearance and moral of recruiters, the IPFU Supplemental Issue for Recruiters is not affordable because of the Army's severe MPA budget constraint.
